

St Anne's

MIDLANDS' HOCKEY FESTIVAL

24-26 JULY 2026

Welcome to the Midlands' Hockey Festival '26

A hearty welcome to you all!

It is such a pleasure to host the Midlands' Hockey Festival where hockey, camaraderie, friendships and healthy competition, are the winners. My gratitude to our staff who have organised everything with passion and commitment, and to staff and parents from our primary schools who have ensured that the opportunity to play hockey and have fun was seized.

Thank you for joining us here at St Anne's, and I wish you a wonderful weekend together. I look forward to spending time on the sides of the fields, and to meeting some of you.

Warm regards

Debbie Martin

Rafffle tickets available at Venue! XO

FIXTURES AND RESULTS

All fixtures and results will be posted on the webapp:

SUPERSPORT SCHOOLS APP

Matches taking place on the Lower Hockey Field will be live streamed via the SuperSport Schools App.

By participating in the Midlands Hockey Festival, your school confirms that the necessary consent has been obtained for its players to be featured in live-streamed broadcasts on SuperSport Schools.

LIGHTNING

The school is fitted with lightning detection systems that will alarm when a storm is approaching (loud recurring siren). If this occurs, all persons need to take cover immediately. At St Anne's there are beacons at the pool and on the side of the buildings near the tennis courts. Beacons will flash red until the storm is a safe distance away.

Sport may only resume once the red light is off and the all-clear has sounded.
